## Hit The (Night) Market

If bazaars get your heart racing, you're in luck: the Ramadan Night Market is in town from July 17th to 27th at the DWTC. With five pavilions, plenty of activities and arts, crafts and gifts galore to peruse at the stalls, it's a great place to pick up some accessories to finish off your summer holiday wardrobe. Visit [www.ramadannightmarket.com](http://www.ramadannightmarket.com).
